## **Efforts for COVID-19**

---

Dear customers,

Thank you for your continued patronage.

We would first like to offer our deepest condolences to those who have lost their lives to COVID-19 and to their families and friends. Our heartfelt sympathy also goes out to those who are suffering from this disease.

We would also like to apologize for the inconvenience and any troubles caused to our customers as a result of our stores not being open for business across Japan. In resuming operations, and so that our customers can shop with peace of mind, we are currently taking the following measures (see next page) in compliance with the policies of the shopping centers where our stores are located. Again, we apologize for any inconvenience this may cause and thank you for your understanding.
